**Datta Meghe Institute of Medical Sciences**  
DEEMED TO BE UNIVERSITY

## About Us

Datta Meghe Institute of Medical Sciences (Deemed to be University) was granted the status of 'Deemed To Be University' by Ministry of Human Resource Development on 24th May, 2005 under Section 3 of the UGC Act. 1956. Located in Sawangi Meghe, Wardha, approx. 80 km from Nagpur (Maharashtra), India, DMIMS (DU) provides an excellent ambience for quality education in fields of Medicine, Dentistry, Nursing, Ayurved, Physiotherapy, Allied Health Sciences, Allied Sciences, Engineering, Commerce, Science and Advanced Studies. Away from the hassles of the city, this sprawling, pleasant, green and peaceful 125-acre campus is a self-sustaining complex, well-connected by road, rails and air (via Nagpur) to all major cities in India. DMIMS (DU), recently, established its off-campus college at Nagpur, the second capital of Maharashtra in 2019.

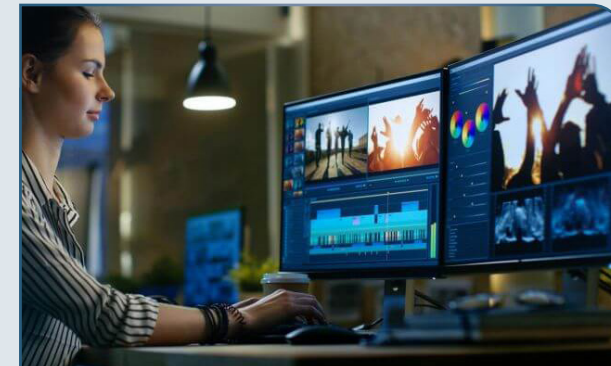

## THE SCHOOL OF VOCATIONAL STUDIES

As a part of the UGC Scheme on Skills Development Based Higher Education in Colleges & Universities, Datta Meghe Institute of Medical Sciences, Deemed to be University, is introducing Bachelor of Vocation (B.Voc.) Degree with multiple exits such as Certificate/ Diploma/Advanced Diploma/ Degree under the NSQF. The program is focused in providing undergraduate studies incorporating specific job roles along with broad based General Education.

Animation, Multimedia, Graphic Design and VFX are booming streams of the Indian Entertainment & Gaming Industry with a multibillion estimated worth with a projected growth rate of 15 to 20% annually. With an exponential growth in this Industry & rapid developments in new technologies, the demand for Graduates with relevant degree in Big Production Houses, Advertisement Agencies, Gaming Companies & Film Industry is huge & one can expect highly competitive salaries.

Datta Meghe Institute of Medical Sciences, Deemed to be University [DMIMS DU] offers Bachelor Degree B.Voc. in the following streams

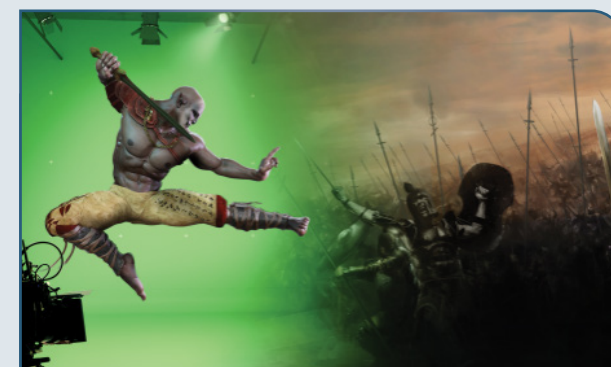

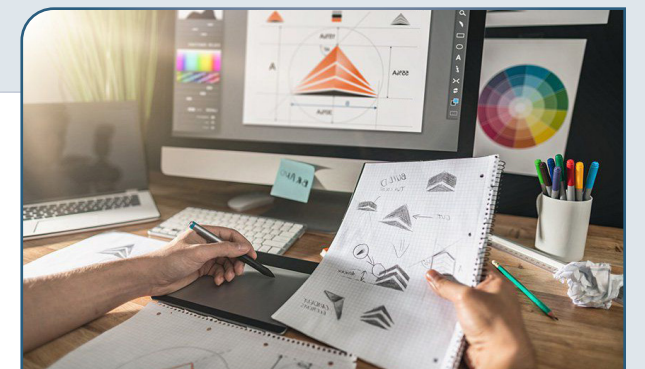

### B.Voc in Animation & Multimedia

B. Voc. (Animation & Multimedia) is an undergrad Animation and Multimedia program. The Program gives total learning of 2D Classical & Digital, 3D Animation & Graphics, foundation course in Classical Animation, 2D Animation, Principles of Animation, Advanced concepts of 3D Material, Lightening, Rendering and Modeling. The course consists of combination of practice, theory and hands on skills in the Animation & Multimedia sector.

### B.Voc in Animation & Graphic Design

B. Voc. (Animation & Graphic Design) is an undergrad Animation and Graphic Design program. The Program covers detailed studies in Graphic Design, Web Design, Web Animation, Classical Cel Animation, Photography, Stopmotion Animation, Digital 2D Animation, 3D Animation, Visual Effects & Editing. The main aim of this program is to teach current graphic design and animation techniques & thus to develop well trained professionals.

### B.Voc in Animation & VFX

B. Voc. (Animation & Graphic Design) is an undergrad Animation and Graphic Design program. The program enables students to grasp fundamental knowledge of the concept of art and basic principles of VFX and Animation. Teachings on the basics and advanced concepts of 2D, 3D animation & knowledge development about storytelling, photography, compositing and motion design are important parts of the training during the course.

**Eligibility :** The minimum qualification to apply is 10 + 2 pass or equivalent examination (any stream).
